Art. 6. Each participating team in a game will provide a touch judge, except where provided by the tournament secretary (finals and semi finals).

Art. 7. During a game two replacements will be

allowed but only in case of injury.

Art. 8. The winning team in a game receives two points and the losing team zero points. If the game is a draw each team will receive one point. Teams having played a game as stated in art. 5.b will receive no points.

Art. 9. If in a preliminary group the total points at the end of the first round are equal the highest total of scored points determines the winner. If these scores are also equal the result of the game between these two teams will determine the winner.

Art.10.a In the finals and semi finals a draw extra time will be played with a maximum of seven minutes. During this period the team that scores first will be declared the winner.

b If after extra time the score is still equal the highest number of scored tries will determine the winner.

c If this does not result in a winner the most converted tries will determine the winner.

d If art.10.c still does not determine a winner each team will take five penalty kicks. The team with the most scores will be the winner. Each kick must be taken by a different player.

Art.11 In cases where these regulations or the regulations of the N.R.B. do not provide a solution the tournament secretary will decide.
